Athens, Greece

## EXPERTISE SKILLS

Team Player

Responsible

Problem Solving

Communicative

Multicultural Adaptability

## LANGUAGE SKILLS

Greek

English

## ABOUT ME

Data Analyst / Data Engineer , agile, responsible, good mentality and experienced in diverse environments. Achieved goals and gained skills and experience through challenging projects in telecoms, energy, enriching the knowledge on different systems.

## WORK EXPERIENCE

AUG.2021 - PRESENT DAY

*Data Analyst / Data Engineer*

- Designing and implementing ETL services using Azure Platform Services based on customer needs and specification set.
- Creating Models and Data Workflows through Azure cloud technologies.
- Creating reports, dashboards with corporate data through MS Power BI and Tableau.
- Creating documentations and manuals for internal procedures.

**Technologies/Tools:** Power BI, Tableau, Azure Data Factory, Synapse, Azure Analysis Services, SSAS, Microsoft SQL Server

DEC.2018 - AUG 2021 (2.7 yrs.)

*Data Warehouse Engineer*

- Maintain Big Data platform (Cloudera HDFS, Hive, Impala).
- Power User of IBM Cognos Analytics 11.1, a web-based business intelligence suite for reporting, dashboarding and modeling.
- Experience in complex SQL queries, Oracle RDBMS.
- Training Experience with over 50 users on Cognos environment.
- Impala-SQL coding for maintenance procedures.

**Technologies/Tools:** SQL, TOAD, SQL Developer, IBM Cognos Analytics, IBM Framework Manager

JUN.2017 - DEC.2018 (1.5 yrs.)

*IS Operator*

- 24/7 operation support on high availability systems.
- PL/SQL coding for maintenance procedures.
- Service desk delivery for more than 100 IT users.
- 24/7 technical support on different systems.
- Address customer issues promptly and accurately within the defined schedules and service level agreements.

## CERTIFICATIONS

JUL.2022 - JUL.2025  
Microsoft  
Power BI Data Analyst Associate

JUL.2024 - JUL.2025  
Microsoft  
Azure Data Fundamentals

JAN.2023  
Linked In:  
Tableau for Data Scientists

## FELLOWSHIPS - SEMINARS

FEB. 2018

Full Financial support to participate in  
Mediterranean Days.  
Campus SophiaTech, France, Nice

APR. 2014

Statement of Accomplishment on History of Art

## EDUCATION

SEP.2015 - SEP.2024

*NKUA, Master of Science*

Department of Informatics & Telecommunications

**M. Sc. Specialization:** Theoretical Computer Science

GPA: 8.1/10

- Professional Skills
  - CGAL : a C++ library.
  - M.P.I : a C library for parallel programming.
  - MATLAB : a numerical computing environment.
  - Use of Gen AI text-to-image models

SEP.2008 - SEP.2015

*NKUA, Bachelor of Science*

Department of Informatics & Telecommunications

GPA: 7.66/10

- Professional Skills
  - Programming Languages: Python , C/C++, Bash Shell
  - Operating Systems: Windows, Linux, Unix
- Thesis
  - "Nondeterministic Space is Closed Under Complementation"
  - Grade: 10/10
  - Advisor: Stavros Kolliopoulos
  - Relevant Coursework: Theory of Computation, Computational Complexity

SEP.2005 - JUN. 2008

*High School Diploma*

1st Lyceum of Arsakeio in Psychiko

GPA: 18.3/20
